FELT DRAWER

SLIM & LARGE

This felt drawer is made from 70% upcycled plastic bottles, which is a good alternative for thinking about the environment - and at the same time gives the drawer authenticity and personality.

The combination between the organic style and the clean lines gives it a modern expression that adapts to the office interior.

CHARACTERISTCA:

- A better alternative when we talk about a greener future. The felt is made from 70% recyclable plastic.
- The drawer is designed with soft edges and hidden ball bearings. There are no sharp edges.
- The felt drawer is available in large and slim sizes. Slime is stocked in three new and modern colours; Beige, Petrol and Light Grey.
